FOR IMMEDIATE RELEASE

Birko's Dana Johnson Named Judge at Great American Beer Festival

HENDERSON, Colo.—Birko, a leading provider of food safety solutions to the meat, produce and beverage industries, today announced that Director of New Business Development and Brewery Specialist, Dana Johnson, will participate as a judge at the *Great American Beer Festival*, September 24-26, in Denver, Colo.

Johnson will be joining other Brewery Professionals to award gold, silver and bronze medals in each category. The *Great American Beer Festival* website noted that “these awards are among the most coveted in the industry and heralded by the winning breweries in their national advertising.”

The judging is scheduled to be held over three days at the Colorado Convention Center, located in downtown Denver.

Birko manufactures a complete line of specialty cleaning and processing aids for brewery, winery and beverage production. In addition to its patented acid and detergent method of cleaning used beer kegs, Birko's other products for brewery provide yeast washing and reduce biofilms in the brewery. Birko also provides anti-foaming agents (both silicone and non-silicone) and chemical dispensing equipment.

About Birko

Protecting the food chain for more than three generations. **Saving lives. Reducing costs, liability and risk.** At Birko, we have it down to a science. Nothing is more important to us than making sure the food chain is secure, safe and pathogen free. That's why we're committed to providing the best in environmentally responsible chemistry, state-of-the-art chemical management and dispensing equipment, and excellent customer service. It's all part of The Birko Advantage, a total integrated food safety solution: expertise, chemistry, equipment and technology that helps food processors meet FSMA, SQF, BRC and SSOP standards. Visit birkocorp.com to learn more about how we can partner with you and help you protect your brand.
